We made a google form with questions about how to improve our meetings, which activities did former members like or dislike, and what are some foods they would like at the meetings. We put the link to the google form on google classroom with all the members, so they would be able to respond to the survey. We found that what most people like to do at the meetings is either an arts and crafts project or a Blooket/Kahoot. Another thing that the responses said was that during the meeting they would like to have more time actually talking about FBLA and not just doing activities. The favorite drinks were lemonade, Diet Coke, Dr. Pepper, and Sprite. The favorite food was Doritos, Sour Patch Kids, Honey Buns and Cosmic Brownies. We are going to use this information to help us structure our activities. This also helps with what food to buy and what drinks to get also.
